

May 2009

Happy Mother's Day!

We had a well attended and fun Pro/Am game. There were nine tables and non-life masters and life masters were equally represented. I heard from a number of non-life masters how much they appreciated the special game. Special thanks for all members who participated. I believe games like these strengthen our club by bringing members closer together. We will plan another Pro/Am game within the next four months and schedule it on a Monday in hopes of encouraging more participation.

Mike Lawrence Class and Charity Benefit

We are very fortunate to have World Champion and Leading Bridge Author [Mike Lawrence](#) to be offering a morning lecture and afternoon supervised hand session on **Thursday May 21**. Mike has graciously requested that all proceeds go to local charities. The cost for this event will be fifty dollars.

75% will be donated to Operation Caring Through Sharing which provides food assistance to over four hundred low income families in Volusia County, with the remaining 25% going to the ARNI Foundation which provides shelter and care for displaced animals. Exact times are being work out but as of now this special event will commence at 10 a.m. Lunch will be provided at the club.

There will be a sign-up list posted at the club, or you may reserve a place by calling Spike at the club or on his cell phone at (386) 527-8451.

**Mike Lawrence
Charity Benefit
Thursday, May 21**
