

JUNE NEWSLETTER

Happy Father's Day!

I was delighted to find the club intact after my two week vacation in Las Vegas. I stayed in touch to what was happening locally through our pet sitter and the computer. What a horrendous prolonged downpour, I hope all of you weathered the storm and if you suffered any damage that it was minimal. The conditions in Nevada were extreme as well; in Laughlin where we stayed a few nights it was 109 degrees! We placed our chaise lounges in the 60 degree Colorado River as a way to enjoy the breathtaking mountain landscape and balance the heat!

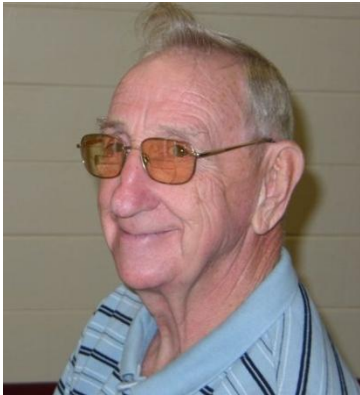

One of the highlights of our Vegas trip was spending an afternoon with [Ruthe Sager](#) at the Red Rock Casino. After a sumptuous international buffet (Ruthe had three dessert plates!), Ruthe and I hit the penny machines where she managed to more than double

her money in an hour! Her luck rubbed off on me as well! My parents, partner and I than took Ruthie back to her upscale apartment complex where she gave us the grand tour. She has adjusted well to her new location. If you are planning a Vegas visit consider looking her up!

Ruthe Sager and Jim Geary

Special Thanks

I want to acknowledge the special contribution to our club of Don Beecher (left). In addition to his willingness to fill in last minute when a partner is needed, Don works tirelessly on the Grounds and Maintenance Committee with another club hero Joe Reeves (right). Don and Joe's work on this committee saves the club numerous expenditures. In the last

few months Don has cleaned the air conditioner filters, fixed the wobbly coffee counter, dealt with major plumbing issues in both restrooms, painted where needed and with Joe's help secured the front door. Thank you Don! And thank you Joe!

[June](#) is busting out all over and so are the games at our club!!!
